Bind This End

Raj has a math test.

He hums a song.

Hummm, humm.

Shhh !

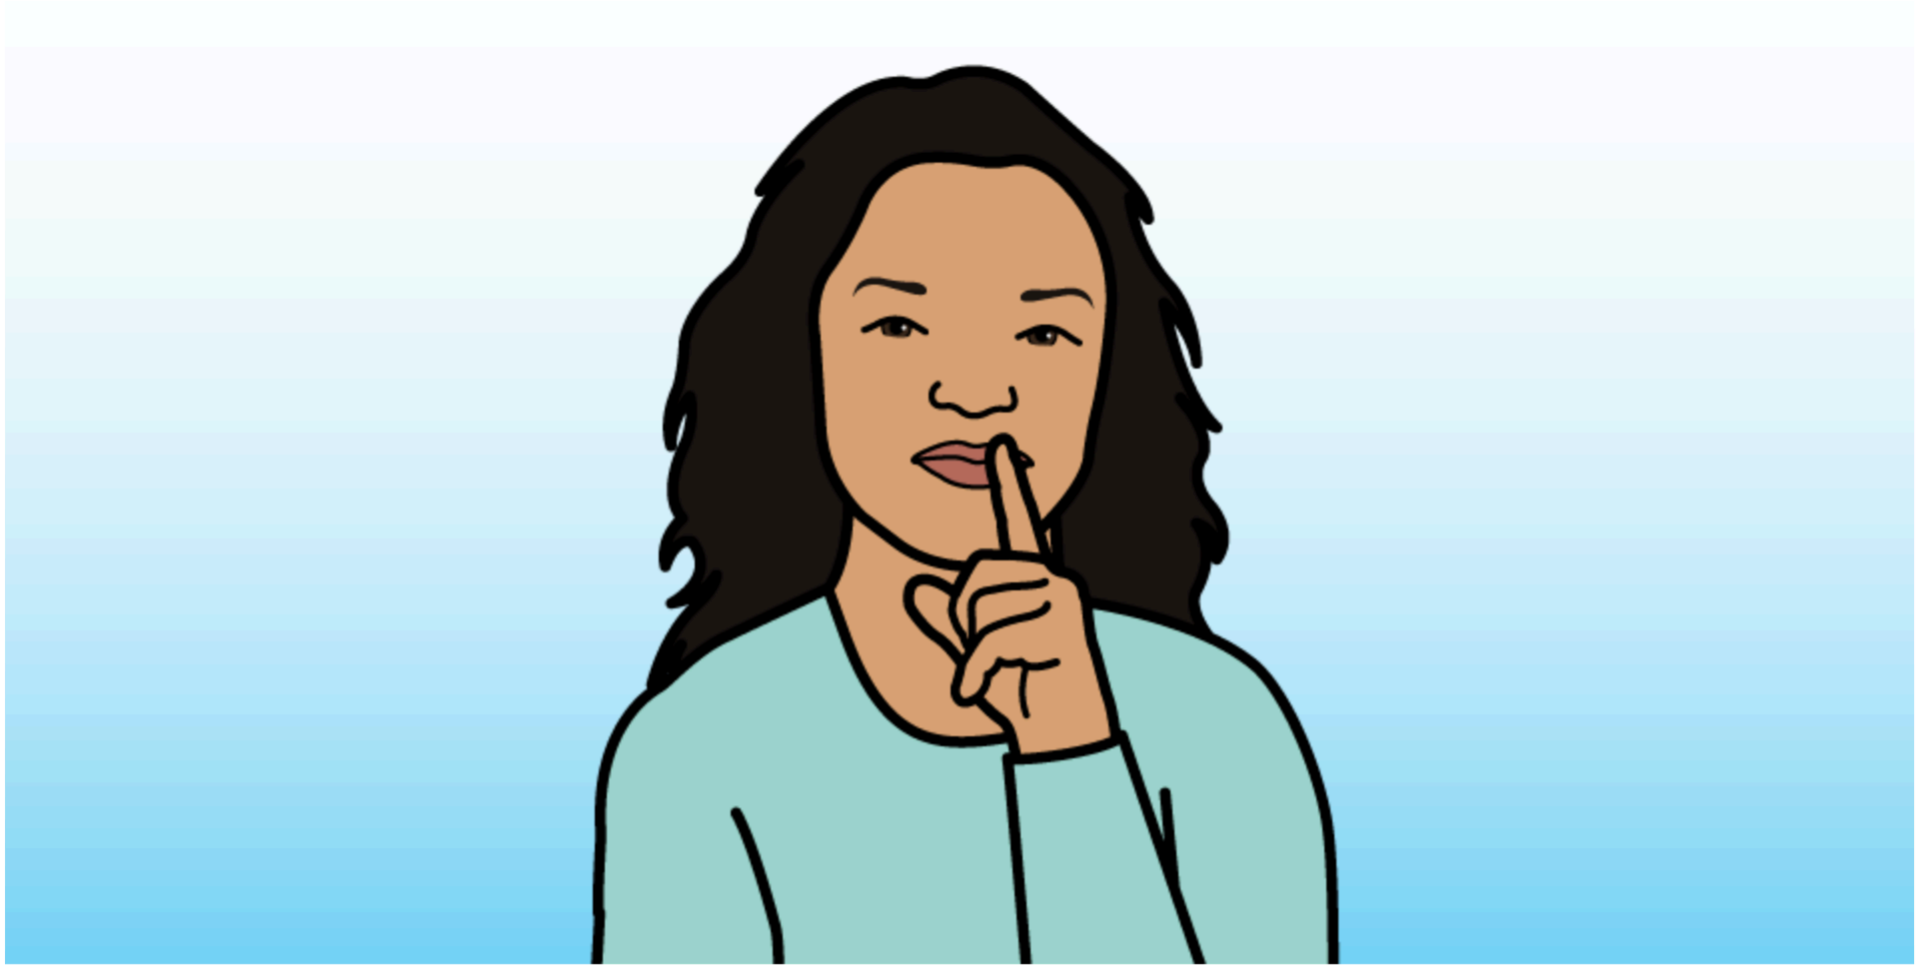
Raj makes noise.

Please be quiet, Raj.

The teacher explains the test.

Raj drums his hands on the desk.

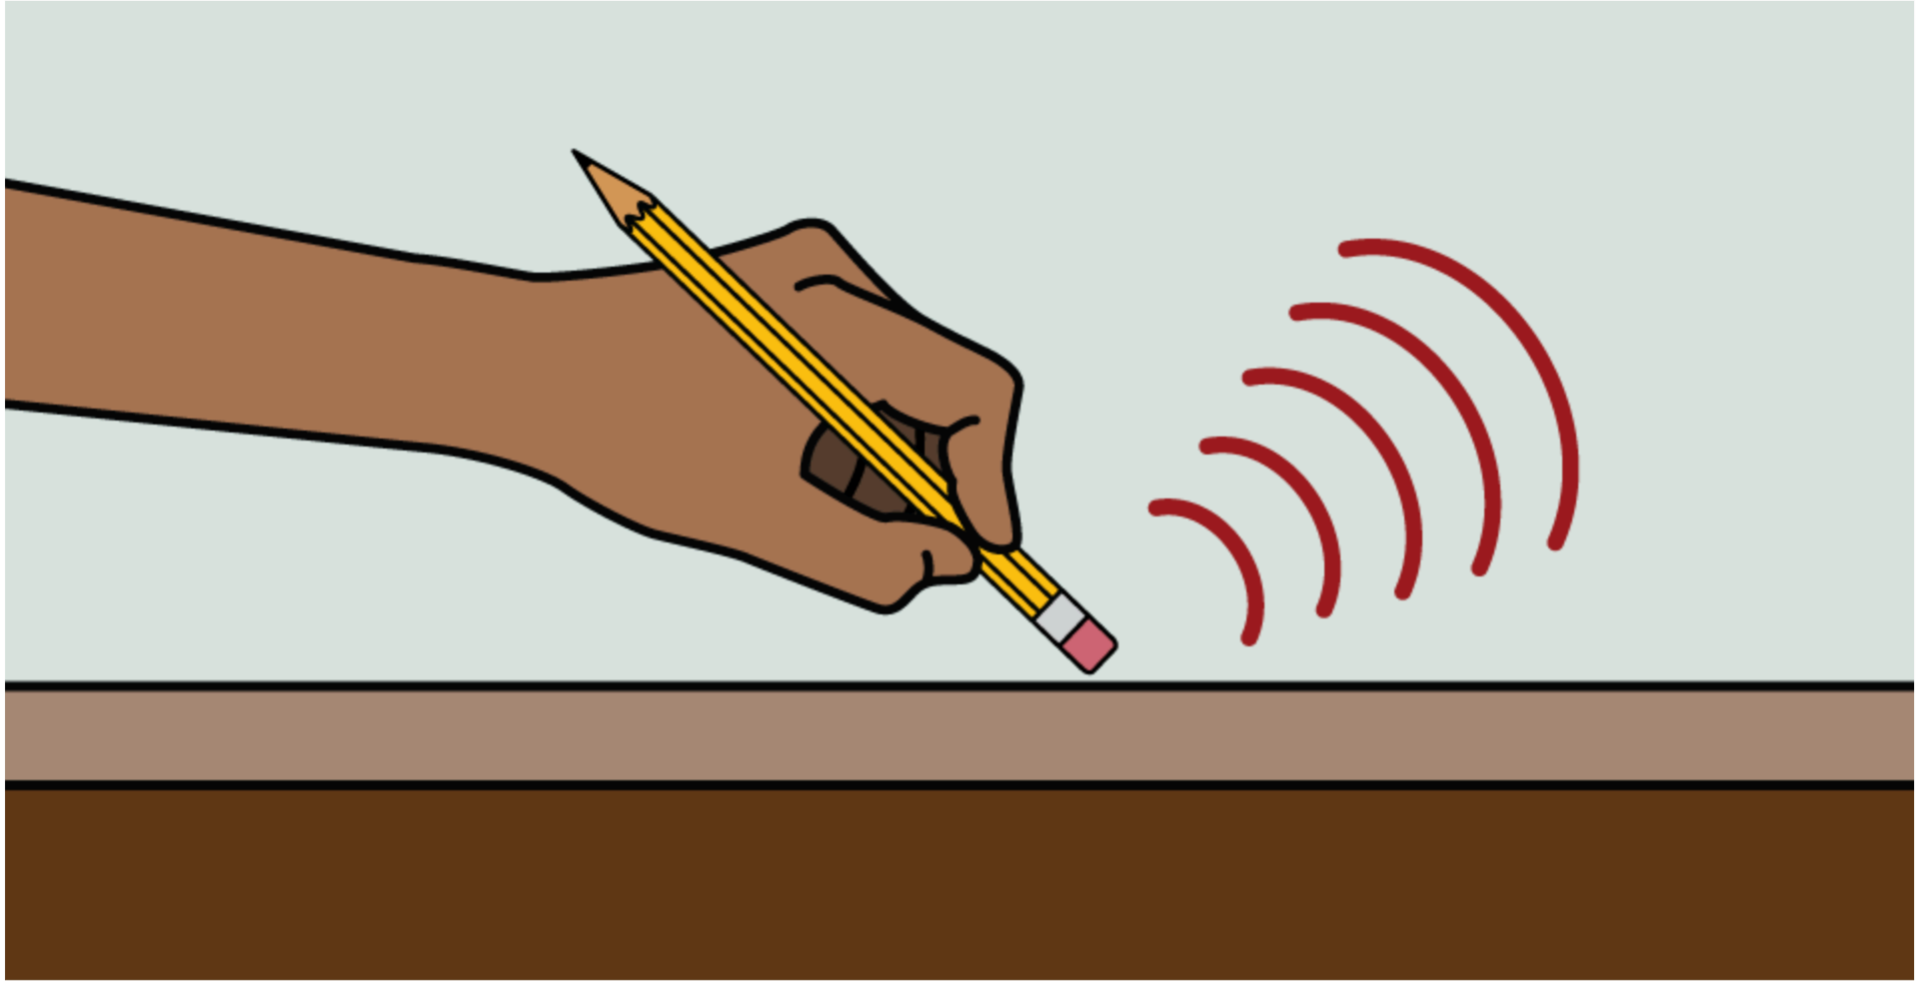
Ba-bum, ba-bum.



Shhh !

Raj makes noise.

Please be quiet, Raj.



The teacher passes out the tests.

Raj taps his pencil on the desk.

Tap, tap, tap.

Shhh !

Raj makes noise.

Please be quiet, Raj.

Raj raises his hand to ask a question.

Raj chews his gum and blows a bubble.

Chew, pop, smack !

Shhh !

Raj makes noise.

Please be quiet, Raj.

Raj is done with his test.

He crinkles up the scrap paper.

Crinkle, crinkle.

Shhh !

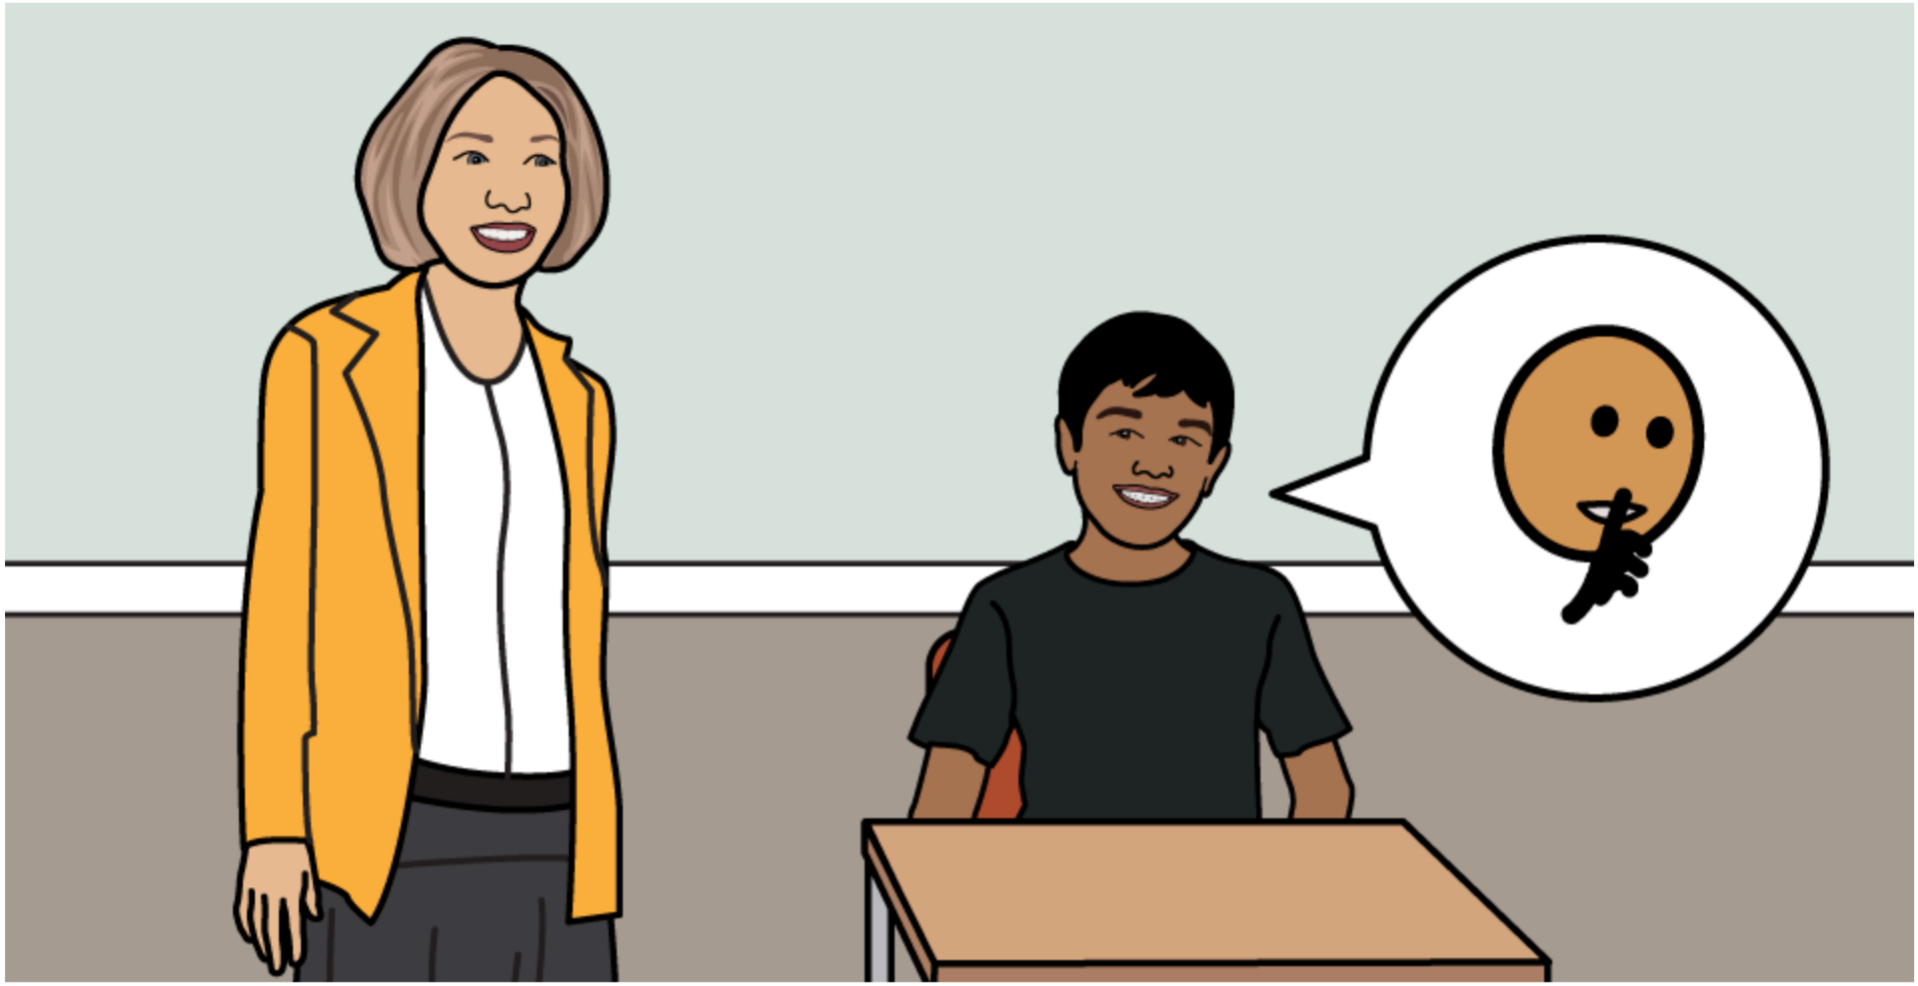
The class does not like the noise.

How can everyone hear it ?

A noise makes a sound wave.

The wave moves around the room.

Everyone can hear it.



Raj will be quiet during the next test.
